Source	Reviewer	Rating	Maturity	Current (Release) Cost
Wine Advocate #211 Feb 2014	Monica Lerner	92	Drink: 2015 - 2020	
<p>Riccardo Talenti's 2009 Brunello di Montalcino impresses for its textural richness and the grand intensity of its bouquet. The wine drinks well on release and is best suited for near-term consumption. Luscious blackberry and bold cherry offer a meaningful prelude to smoke, tar, licorice, leather and tobacco. It is an expansive and integrated Brunello with sweet tannins and an exceedingly smooth finish. Drink: 2015-2020.</p> <p>Importer: HP Selection, www.hpselections.com</p> <p style="text-align: right;">Add to Print List</p>				

About Maturity and Drink Dates: Most reviews in The Wine Advocate include a period during which the wine should ideally be consumed. We express it as a range of years (Drink Dates) and we use that range to calculate a 'Maturity' for the wine as of the current date. Maturity values are: Young - the early drink date is in the future; Early - first third of the drink date range; Mature - middle third of the range; Late - last third of the range; Old - the late drink date is in the past.
